

# A New Day

The team at Colorado Plains Medical Center is pleased to announce the arrival of CEO, Kevin Rogols. Kevin brings more than 25 years of healthcare experience as well as an exciting and fresh approach to our community hospital. In fact, he believes that, while we have some of the best state-of-the-art equipment and quality score indicators, care is also about service to those who mean the most to us.

To aid us in our quest to provide extraordinary service, we would like to invite you to a town hall meeting with Kevin. Tell us how we are doing and how we can exceed your expectations.
